

The United Indians of All Tribes Foundation (UIATF) is a non-profit organization working to provide vital social, cultural, and educational services to Seattle's American Indian/Alaska Native community as well as all communities in need.

JOB PURPOSE

As a member of the Facilities team, the Security and Maintenance Lead Technician performs all related duties to assure that assigned facility is clean and well maintained, inviting, appealing and free of health and safety hazards. The Maintenance Lead Technician is responsible for performing routine maintenance for the assigned facility to meet established objectives, leading other maintenance staff in duties, and reports to the Housing Admin., with Program Director support.

ESSENTIAL DUTIES AND RESPONSIBILITIES

- Assist Youth Home Director to develop and implement schedule of preventative maintenance for assigned facility, including buildings, major appliances, HVAC, grounds, vehicles and equipment. Complete preventative maintenance tasks.
- Perform general carpentry, which includes window and door repair, sheet rocking, taping and finishing, scrape, sand and paint or varnish.
- Troubleshoot electrical problems and perform minor electrical repairs that do not require an electrician. Repair appliances, fixtures, fans and motors.
- Test fire alarms, sprinklers, and other safety equipment.
- Perform minor plumbing repairs that do not require a licensed plumber. Change and repair fixtures and toilets, repair and unplug drains.
- Clean rooms and make any necessary repairs for new residents (Youth Home).
- Perform general landscaping upkeep. Maintain lawn at all assigned facility, including mowing, raking, seeding, fertilizing, removing debris. Attend to plants, flower beds, bushes, and trees including pruning, planting, watering, and fertilizing.
- Collect & monitor and dispose of waste and recycling; ensuring areas are clean and well maintained.
- Sweep sidewalks, exterior stairs, and parking lots as needed. Perform snow removal as needed, including, shoveling, sanding/rock salting, etc.
- Check and clean outdoor equipment, benches, tables, fences, etc. Note any needed repairs and take action to correct.

AMERICANS WITH DISABILITY SPECIFICATIONS PHYSICAL DEMANDS

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is occasionally required to stand; walk; sit; use hands to finger, handle, or feel objects, tools or controls; reach with hands and arms; climb stairs; balance; stoop, kneel, crouch or crawl; talk or hear; taste or smell. The employee must occasionally lift and/or move up to 30 pounds. Specific vision abilities required by the job include close vision, distance vision, color vision, peripheral vision, depth perception, and the ability to adjust focus. The employee must also be able to drive during the day time and at night. When visiting client homes, driving to the office, and driving to outreach and group connection events, the employee may be exposed to a range of King County weather conditions and changing noise levels. The noise level in the office work environment is usually moderate.

Nothing in this job description restricts management’s right to assign or reassign duties and responsibilities to this job at any time. This description reflects management’s assignment of essential functions; it does not proscribe or restrict the tasks that may be assigned. This job description is subject to change at any time. United Indians of All Tribes Foundation is an at-will employer.
